

PAN 920

LED Wall light

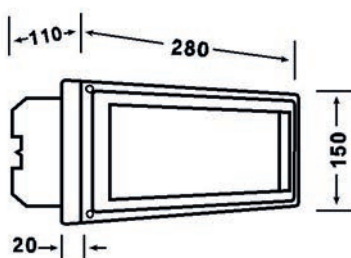

Introduction

PAN 920 LED Wall light uses SMD LED for outdoor applications. Housing is made of die cast aluminum chemically treated with a fully de greasing process.

Features

- SMD LED
- IP rating: IP65
- High quality PS Opal diffuser
- Installation: Wall-surface mounted

Dimensions

Tech. Specification

Model	PAN920-5
Power	5W
LED Type	SMD
Lumious Flux	450 lm
Efficacy	90 lm/w
CCT	3000 K 4000 K 6500 K
CRI (Ra)	>80
Voltage	220-240 V
Frequency	50/60 Hz
