

PNUG 112

LED Buried lights

PAN
LIGHTING

Introduction

PNUG 112 LED Buried Light uses High power LED and built-in LED Driver for outdoor applications. Housing is made of die-cast aluminum with stainless steel surface ring.

Features

- High power LEDs
- LED Driver
- Tempered glass diffuser
- High quality PC lens
- Walk over pressure: 100KGS/1000N
- Working temperature: -20 Degree C to 55 Degree C
- Installation: Recessed in ground
- Adjustable light direction
- IP rating: IP66
- Lifespan: 30,000 – 50,000 hours

Tech. Specification

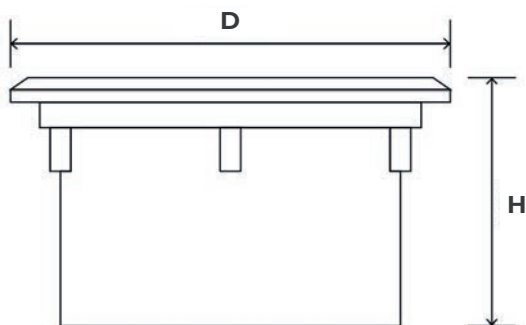

Model	PNUG112-18	PNUG-12
Power	18 W	12 W
LED Type	High powder LEDs	
Luminous Flux	1440 lm	960 lm
Lumminous Efficacy	80	
Number of LEDs	12	
CCT	3000 k - 4000 k - 6500 k	
Baem Angle	25° - 30° - 45°	
CRI (Ra)	>80	
Rated Supply Voltage	220-240 V	
Frequency	50/60 Hz
