## LED Buried lights

**PAN**  
LIGHTING

### Introduction

PNUG 113 LED Buried Light uses High power LED and LED Driver for outdoor applications. Housing is made of die-cast aluminum with stainless steel surface ring.

### Features

- High power LEDs
- LED Driver
- Tempered glass diffuser
- High quality PC lens
- Walk over pressure: 100KGS/1000N
- Working temperature: -20 Degree C to 55 Degree C
- Installation: Recessed in ground
- Adjustable light direction
- IP rating: IP65 - IP67
- Lifespan: 30,000 – 50,000 hours

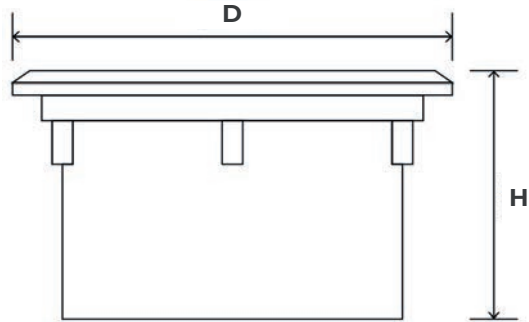

### Tech. Specification

Model	PNUG113-18	PNUG113-24
Power	18 W	24 W
LED Type	High powder LEDs	
Luminous Flux	1440 lm	1920 lm
Lumminous Efficacy	80	
Number of LEDs	12	
CCT	3000 k - 4000 k - 6500 k - RGB	
Baem Angle	20° - 25° - 30° - 45°	
CRI (Ra)	>80	
Rated Supply Voltage	220-240 V	
Frequency	50/60 Hz
